

Dear Pet Owner,

We've given you this information because at Hadrian Vets we want to help you look after your pet in the best possible way. It holds information about the Pet Health Club, a great way to cut the cost of routine veterinary care for your pet.

We encourage you to join this scheme because routine care is an important part of responsible pet ownership. It keeps pets in the best possible health and helps them lead a happier life.

Take a look at the price list and you'll see you can make great savings on the annual costs of what we call 'preventative maintenance' - helping you keep your pet in tip - top condition.

If you join the scheme you also benefit with 10% off your booster, worming, flea control, neutering and microchipping, and 5% off all internal fee and stock items. What's more you also qualify for free nurse clinics (weight, junior, senior, dental), and 5% off pet food - it's fantastic value!

We can't emphasise enough how important it is to provide routine veterinary care. And joining the Pet Health Club will help you do so for a fixed monthly cost.

Please look through this information, and if you have any questions we'll be delighted to provide the answers.

Hadrian Vets

**Provide the very
best life long care
for your pet and
save money on
your veterinary
treatments**
